That's The Way It Was!

Assembly programs, football games, "lab" experiments, subject tests, the Senior-Junior Ball . . . these may be thought symbolic of our high school days. Through photography, art, and the written word, the Monticello Staff has striven to present the varied life as we lived it at Thomas Jefferson High School during the session 1955-1956. As we mature and look back on the golden years in high school, we shall recall the many joyous occasions as well as the difficult achievements in which we had a part and fondly say of our record, "That's the way it was!"

P-T-A Makes \$120 Donation For Dances

The P-T-A has set aside \$120 for sock hops during basketball season. As yet there have been only two planned. The first took place after the game. The second is scheduled for February 24. Sock hops follow home games of town schools. They are for stragglers from attending. All of the fun and trouble and hard labor of a sock hop," expressed Simpson, S.P. vice president. Organizations in charge of a sock hop must fix a suitable date, arrange for the S.P., House, and P-T-A to sponsor one sock hop. The rec hall to be cleared, and the couples available as chaperones must also watch the doors and lighten the rec hall after the dance. S.P. 123, the two Hi Y's, and the club have sold drinks at the net is used.

Faculty Happy To Be Back After Holding Summer Jobs

While students were vacationing during the summer months, so many members of our class in Business Education from the University of Virginia. "The switchboard was very complicated, but at the same time it was fascinating," she stated. "It was easy to pull the wrong plug and disconnect the parties talking. This, needless to say, was not advisable, but amusing," said Miss Lamb.

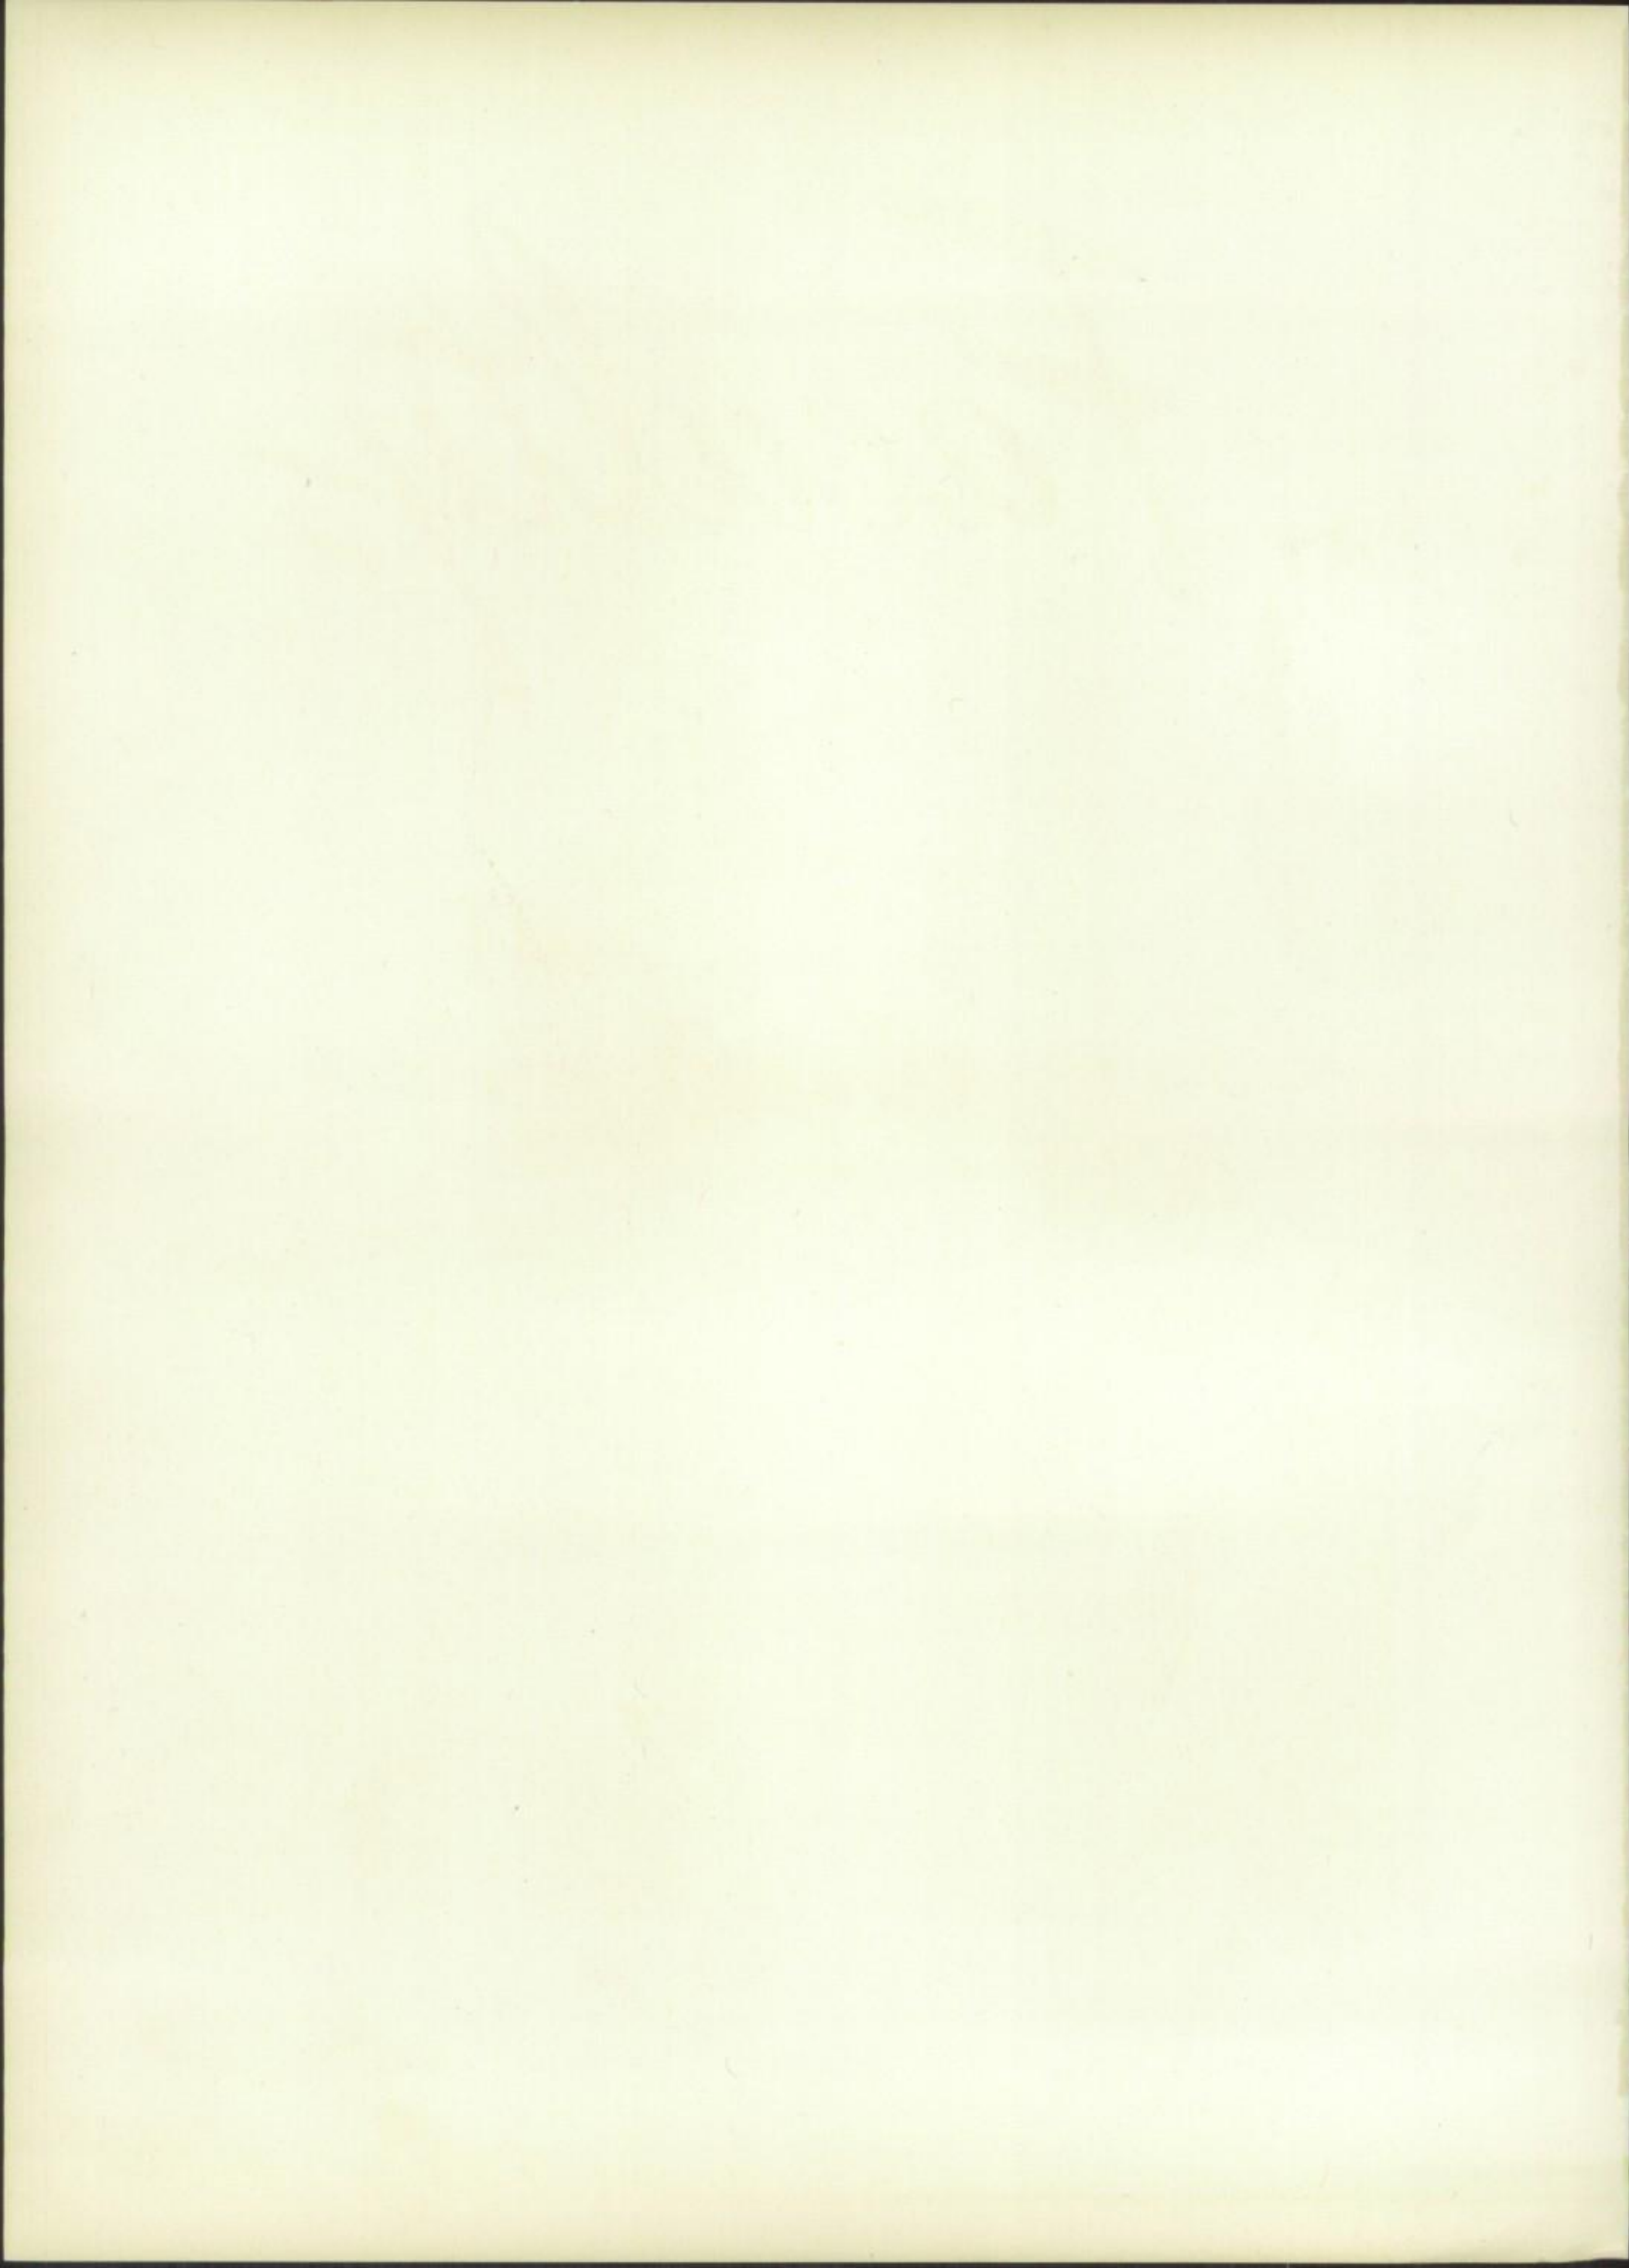

Non-Paying Jobs

Other teachers held paying jobs, such as Karl Stutzman, who was improving their houses. Miss P. and her family.

Smith Holds New Office

Edward N. Smith has succeeded Charles F. (Hank) Noble as new assistant principal at Thomas Jefferson. Mr. Smith has taught mathematics at Tee Jay and has been active in the athletic department. Mr. Smith first organized both junior varsity football and junior varsity basketball at Tee Jay. From 1938 to 1951 he coached freshman-sophomore weight squad and the track team. When there was no competition between the high schools during the war, Mr. Smith introduced an intramural program. The program was composed of baseball, basketball, and football teams sponsored by the homerooms. Teaching since 1915, he is interested in mathematics. Before coming to Tee Jay he headed the Math Department at McGuire's School. "In my new position, I am looking for opportunities to render more and better service to the student body and members of the staff," commented Mr. Smith.

Faculty in Action

Upper Left: Miss Mary Maddox, exchange teacher last year in County Grammar School for Girls, Sale, Cheshire, England, shares her experiences with two of her inquiring Tee Jay students.

Upper Right: A stuffed skunk, a mounted skeleton, and a pair of cow's horns are among the unusual offerings brought to Miss Pitt this term as biology 2 projects.

Lower Left: Students create handsome articles in Tee Jay's well equipped jewelry shop. Here Miss Hemphill gives Randy Munford instructions in a soldering job.

Middle Right: Miss Jordan, counselor, expertly advises Kenneth Woodcock concerning college entrance requirements. Of Tee Jay graduates approximately seventy per cent are college bound.

Lower Right: Gathered for a practice session are Mr. Allison, sponsor, and his band of cheerleaders, who prepare for the next game with plenty of new cheering tricks.

Classes

Seniors Turn Fraternal

Each new freshman and sophomore is a big brother or sister in the Seniors Class. Sponsored by the House of Representatives, Big Brother and Sister Day is held Thursday, February 2. On this day seniors met their little brothers and sisters. The big brother and sisters help the new ones. Some of these have been awarded the S.P. awards, the publication of various committees. Many of the seniors have already joined the House of Representatives. The Big Brother and Sister Day was held at the Graves, senior center.

Junior Class Compiles Scrapbook of Activities

Junior Class members are compiling a scrapbook of their activities. "The scrapbook should be a great asset to the class and a great help to us next year when we write the senior section in the Monticello," stated Martha Hinkle, Junior Class Veep and chairman of the committee. She also commented, "As far as I know, this will be the first." The juniors have already begun to make plans for the decoration of the spring Junior-Senior. They are also engaged in improving their financial status by selling Lil Jeff stickers. "We are very proud that we are presenting *Parlor Rats* by the Junior Stunt Night cast at McGuire's Hospital on January 25," commented Bette Allan, co-assistant director.

Bye! That's All for This Year.

FRESHMAN YEAR

Anxious frosh storm Tee Jay and select Miss Sue Beaman as their faculty sponsor. Leaders of the class are Teddy Chepp, Carroll McKinney, Nancy Gilliam, and Jack Willard. The outstanding youths of this class top the Tee Jay honor roll. Climaxing the year, is a picnic at Forest Hill Park with loads of food and fun for every Tee Jay freshman there.

THAT'S THE

JUNIOR YEAR

The juniors help Tee Jay celebrate its twenty-fifth anniversary during 1954-1955. Junior Stunt Night, "All Aboard," is performed in December before a record-breaking crowd. Talented class members by scores receive individual recognition in clubs, journalism, and sports. Elected to lead the class as officers are Dick Hansen, Carol Faison, Ann Perkins, and Tommy Womble. Juniors dance to "Moonlight and Roses" during their annual Spring Prom. Representing the class in the Senate are Tommy Allen, Nancy Gilliam, Ruth Thompson, Dabney Stuart, and Bobby Parker. Juniors strain their wits on the Arithmetic Test. Patti Powell and Jimmy Greathead are chosen Junior Cheerleaders. Dabney Stuart and Ruth Thompson win the outstanding Junior Awards.

SOPHOMORE YEAR

Tommy Allen, Carol Faison, Patti Powell, and Richard McGrath are the new sophomore class officers. A successful paper-selling drive swells the treasury, and another lively picnic arouses a great deal of enthusiasm and promotes class spirit. Representing the class in the Senate of Tee Jay are Ruth Thompson, Jack Willard, and Teddy Chepp.

WAY IT WAS

SENIOR YEAR

Serving as officers for S. P. are Tommy Allen, Ruth Thompson, Ann Perkins, Nancy Gilliam, and Tommy Womble. Ruth Thompson is elected Miss Jeff to reign over a wet T.J.-J.M. football game. New class officers are Dick Hansen, Carol Faison, Bette Ballagh, and Lewis Drew. Senior Senators are Becky Lonas, Carolyn King, Suzanne Carter, Bobby Parker, and Van Wall. At the Senior-Junior Dance Keith Hardwick and Patti Powell are crowned King and Queen.

On March 15 and 16 enthusiastic seniors entertain the school with "Life with Father." Class Day in June is hailed by the wearing of red and white. June also brings the class picnic and at last the traditional Baccalaureate Service, followed by graduation at the Mosque, June 6.

Tebahoes to Meet Faculty Tuesday; Teachers Practice for

Staffs Travel To New York For Meetings

Students from Tee Jay and Freeman High Schools, who write for the various school publications will attend the Columbia Press Convention next month together with a number of teachers.

"The convention usually proves a success," Miss [unclear] says.

The group, which consists of six adults, will travel to New York by train. They will have a reserved coach. Both newspapers and magazines are judged as to make-up and style, at this meeting. At the convention discussion groups are held on how to better high school publications. Experts in the field of journalism will attend the meetings to give advice to the young journalists.

Privilege to Attend

"It is really a privilege to be able to attend this convention. It is wonderful to meet with high school students from all over the nation and discuss the problems," states Harriet Rein of the Monticello.

The entire group will have a luncheon one day at the Waldorf Astoria and plan to stay at the Times Square Hotel.

Senators to Revise Demerit System; Fairer System Goal for Committee

Demerits are now the discussion of the newly formed Demerit Committee, headed by Brad Gunter. The other members are Bob Parker, Van Wall, Dick Hansen, and Nancy Simpson. Trying to get a fairer and better demerit system is the chief aim of the committee. In the S. P. Constitution it states that if a student receives demerits the first time, he may receive

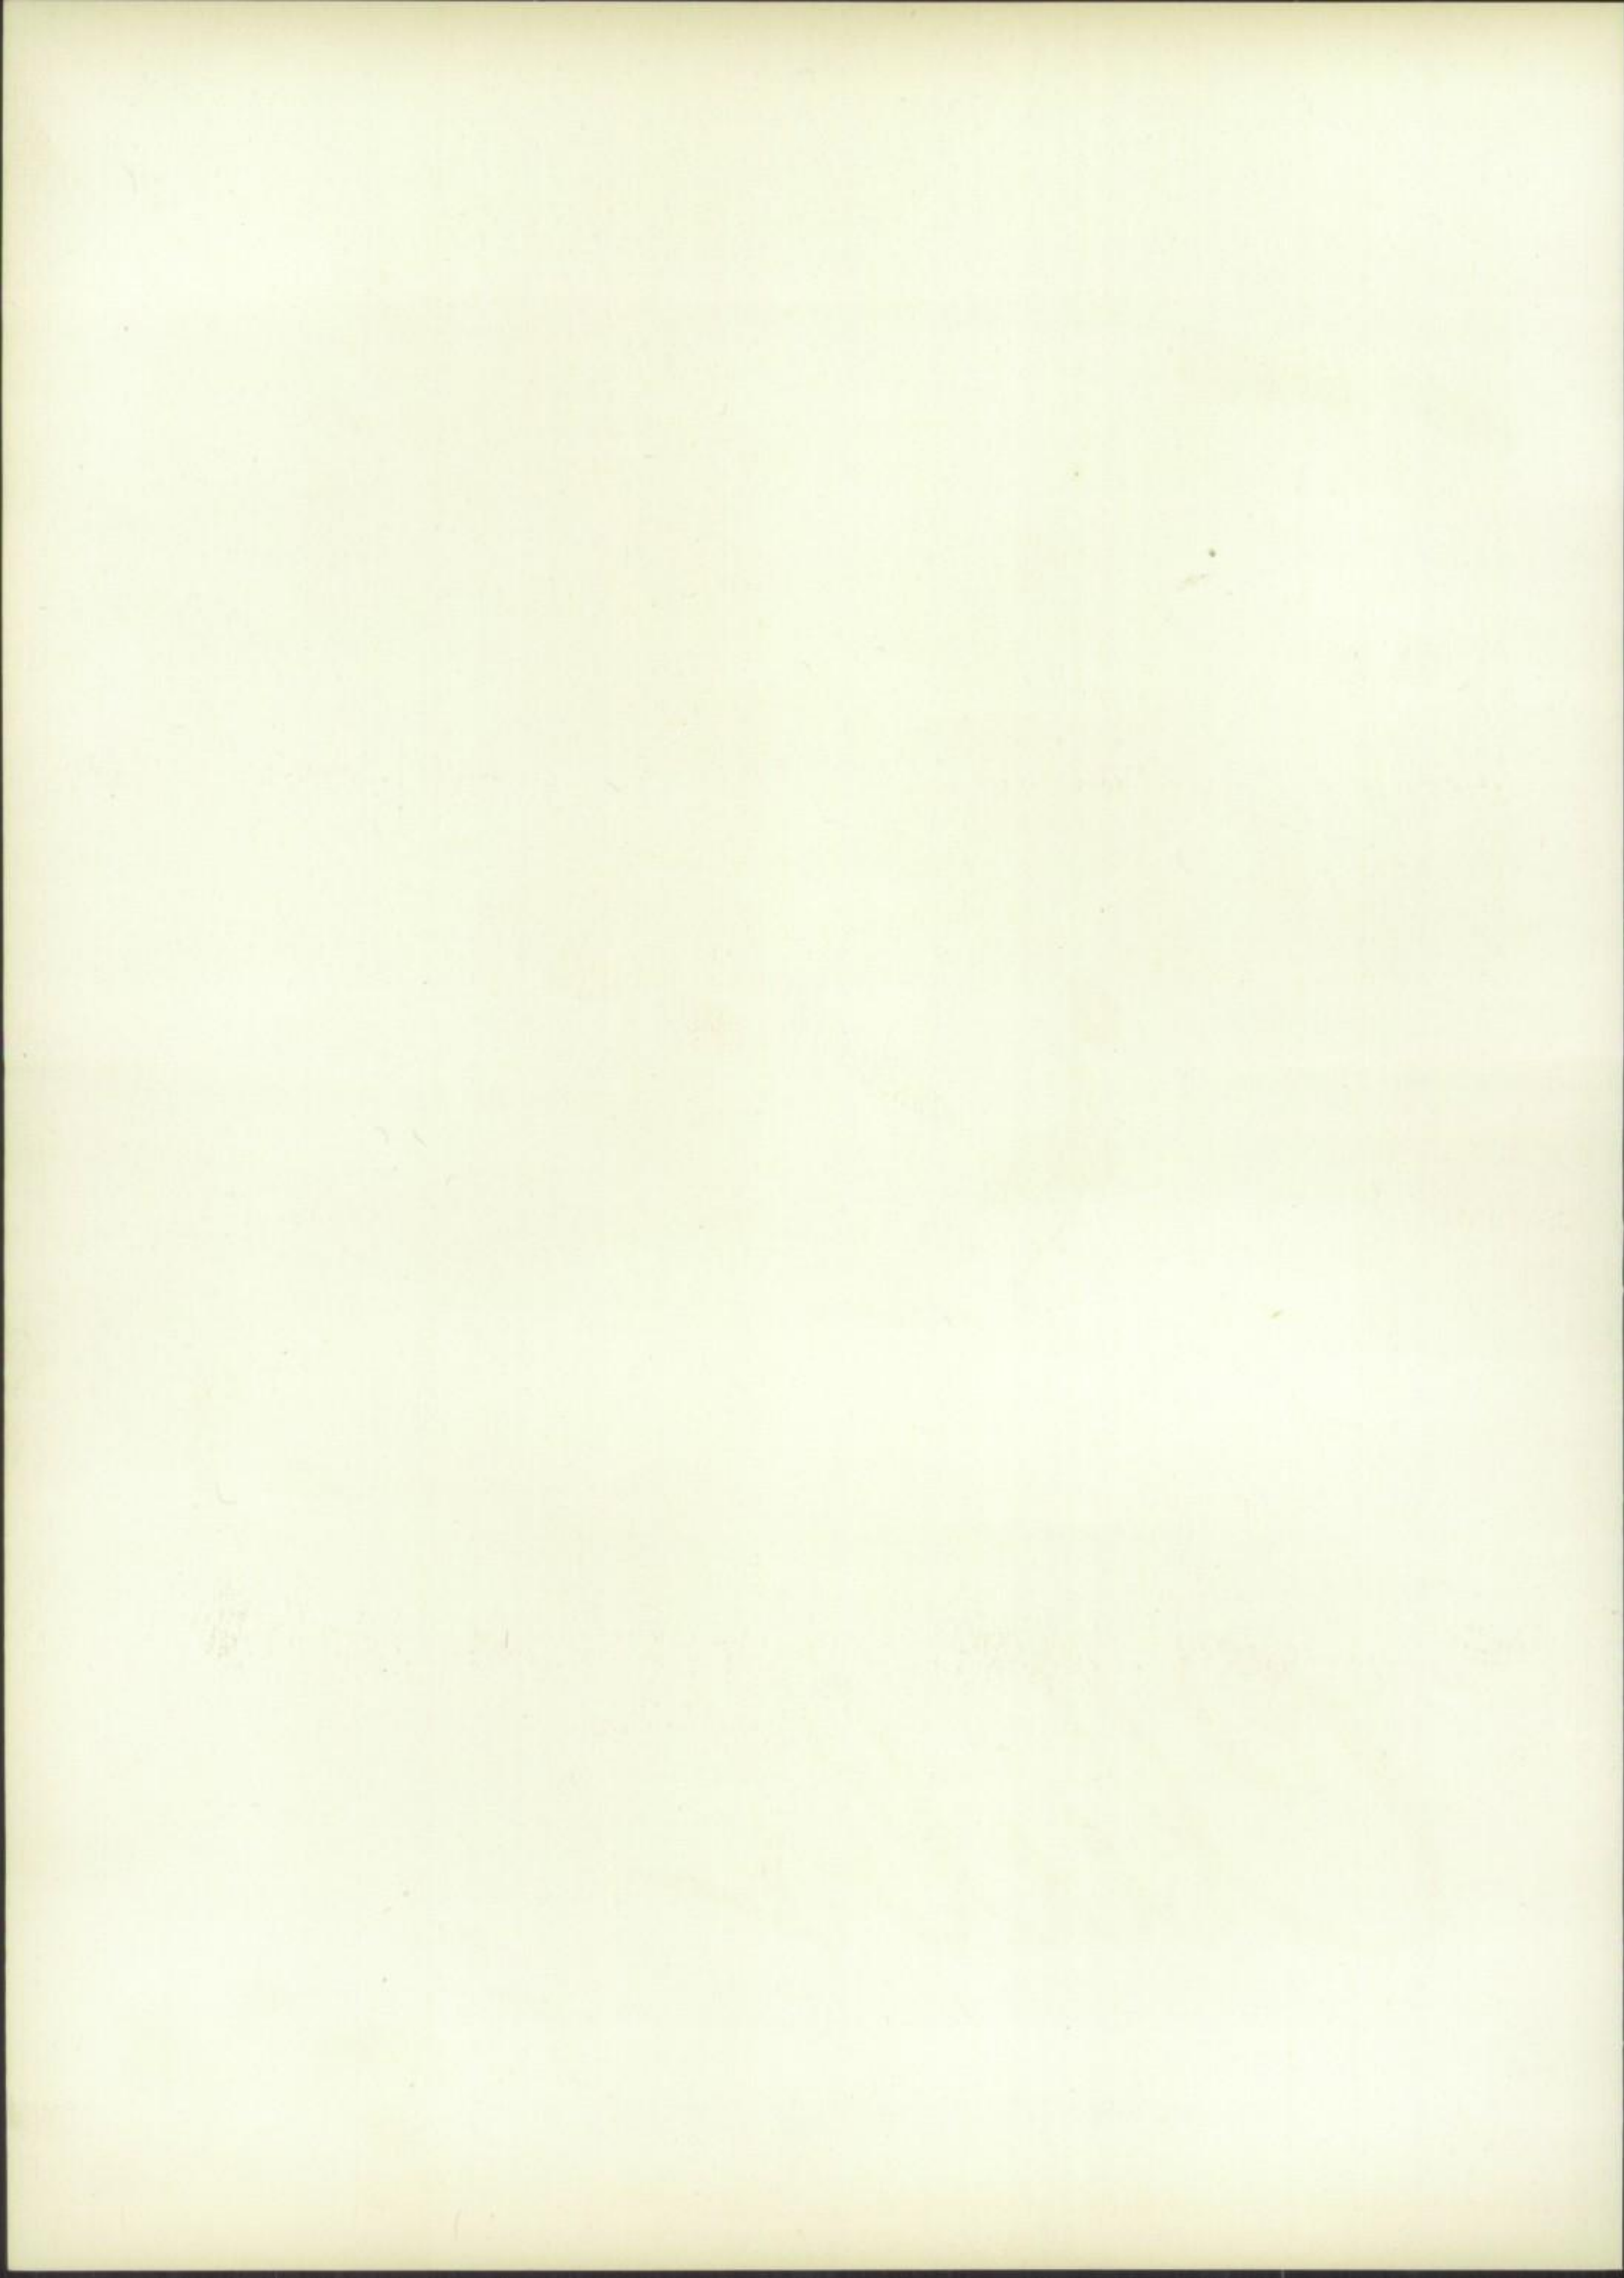

ceive a demerit in the last six weeks, even for a minor offense, he still cannot hold the office. However, a person may be elected to the office who has had a worse offense the previous six weeks and has worked it off. The new committee is working on the project in hopes that this problem may be solved. After being revised by the committee the system must be passed by the Senate.

Brad Gunter, chairman of the committee, commented, "I think the new system will work out much better than the old one did."

Calendar of Events

Throughout the year, the duties of the B.O.C. are those of prime importance. Theirs is the serious responsibility of scheduling activities in such a manner as to prevent conflicts between the various organizations. . . . The board, composed of the officers and sponsors of the S. P., the presidents and sponsors of all four classes, and representatives from the cadet corps, cheerleaders, music groups, sports, and the editors of publications, also strives to promote a closer unity between all organizations in the school. To achieve these aims the B.O.C. meets every second Tuesday of the month under the leadership of Mrs. Brumble, sponsor, and Tommy Allen, president of the S. P.

Leadership

Composed of capable and respected leaders from each of the four classes, the Senate is the highest governing body in the school. Each day during fourth period, the Senators carry on their numerous duties in an effort to

Efficiency

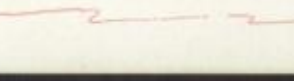

improve the school and its functions. This legislative body is made up of the officers of the S. P., elected by the school at large, and the Senators and class presidents, elected by their respective classes.

The Senate

With Mrs. Katherine Brumble and Mrs. Anne Plunkett serving as their capable sponsors, Senators have various responsibilities, one of the most important of which is serving as chairmen of the various standing committees. In order to keep better informed on activities of other schools, the Senate sends representatives to different student council conventions.

Increased interest in the school's organization and constant striving for its betterment are results of student participation at Tee Jay. The House of Representatives is made up of active homeroom leaders who possess the qualities of leadership, fine character, scholarship, and willingness to serve. These representatives act as coordinates between the homerooms and the Senate. The members of this group, which meets after school on the first and third Mondays of each month, bring suggestions from their classmates for beneficial school projects and improvements. It is important for every Tee Jay student to be alert to new ideas and means of bettering his school. . . . This year the group has sought to continue the projects of last year, such as posting a school calendar of events and sponsoring a sock hop after a football game, as well as proposing

new measures. Among the achievements this year were repairs to the school's Virginia State Flag, the installing in the corridor of a box for returning library books, and the appointing of "big brothers" and "big sisters" for the incoming students. The House also sought closer cooperation between faculty, parents, and students through the proposal for special "family night" P.-T.A. programs. . . . Officers were Ruth Thompson, who, as vice-president of the student body, served as president of the House; Madison Miller, secretary; and Dewey Morris, sergeant-at-arms, with Larry Reed as alternate. Delegates to the City Federation were Biddie Goodman and Johnny Towell. . . . With every increase in Tee Jay's enrollment the S. P. grows larger, for every student upon entering becomes a member of this vital organization.

Strength Through Union

Aware that the Student Participation Association is only as strong as the homerooms which comprise it, the Council of Homeroom Presidents constantly strives to bring about a stronger and closer union between the homerooms and the S. P. During its monthly meetings, the members of the Council discuss various problems and ideas brought up in the weekly homeroom meetings. These discussions help the presidents to perform their duties in an intelligent, well-informed fashion while presiding over homeroom meetings. Consequently the meetings are better planned and more orderly because of the experience gained by the presiding officer from the council meeting. The group is sponsored by Mrs. Brumble and presided over by Tommy Allen, the president of the S. P. This

Guiding Our Ways

year the council conducted a successful leadership clinic. This clinic served to advise homeroom presidents as to how they could be better prepared to lead their homerooms toward a fuller participation in all affairs pertaining to the student life here at Thomas Jefferson. The plan to bring a foreign student to this school owed much of its success to the hard-working homeroom presidents, who so willingly helped to raise the needed funds by selling tickets to students and clubs. Through this organization the school has achieved a stronger unity because of its earnestly dedicated members, who perform their duties as homeroom presidents in a highly conscientious manner.

Toward Better Citizenship . . .

Promoting the ideals of the school pledge through a spirit of brotherhood has been the task of the Character Committee this year. This theme, worded "Person to Person," was first applied by developing brotherhood within the group. Each member answered a Self-Check Sheet, and the programs held within the group were based on the results of these checks. Finally the brotherhood theme was carried directly to the homerooms in the form of various skits, panel discussions, movies and reports. . . . The steering committee this year consisted of Katherine Bacon, vice-chairman; Margaret Eubank, secretary; Lloyd Tilton, treasurer; Marcia Saslaw, Theresa Golderos, Pat Leary, and Nancy Edmunds, appointed members. This group, composed of representatives from

different classes and headed by Senate chairman, Suzanne Carter and Mrs. Frances Wimer, faculty sponsor, planned and executed the theme. . . . Each homeroom had a representative at the monthly meetings. A welcoming committee was formed which provided a "big brother or sister" for those students not enrolling in the school at the opening of the term. The Character Committee sponsored a Brotherhood Assembly during Brotherhood Week in February featuring three local religious leaders of different faiths. The club has tried to promote a feeling of understanding, tolerance, and cooperation among the students of Thomas Jefferson through emphasis on an effectual community of feeling, termed brotherhood.

Awareness of the World

Devoted to promoting more interest in current affairs and history, the forum Club chose "Virginia" as its theme for this year. As a result of this particular emphasis the members were able to acquire more knowledge about the people and the rich heritage of the state. Meeting monthly under the leadership of Ralph Cauthen, the group was able to plan many profitable and enjoyable programs. These included both discussions and stimulating talks. In addition to this, the club was very fortunate in having as sponsors for the year Miss Mary Maddox, just returned from a year of teaching in England, and Miss Morrison, a new addition to Tee Jay's history department.

Learning the Business

To provide their members with a means of learning vocational opportunities and to encourage the use of higher standards in business are the purposes and aims of the Distributive Education Clubs of America. The sponsor of the Tee Jay club is Mr. Ray Ayres of the faculty. . . . Each month the club holds a business meeting to discuss new projects. A joint meeting each month of the Thomas Jefferson and John Marshall clubs provides an hour of fellowship and an opportunity to share ideas and develop better projects. Picnics and hayrides are some of the social activities sponsored by the club. Each year a large employer-employee banquet is held to promote better relations.

"Not By Bread Alone"

Placing emphasis on Christian activities as the right way of living is the purpose of Tee Jay's Christian Youth Club. Its regular business meetings are held on Friday, with business frequently followed by a message from a guest speaker. In the morning at 8:45 devotions are held. Thus students are given time to pray and hear a short message by a fellow member before the regular school day begins. "Singspirations" are sometimes held in place of the regular devotions. The Christian Youth Club strives in every way to set forth and put into daily practice the ideals of the school pledge: Honesty, courtesy, self-control, obedience to authority, with kindness and fairness to all.

Tomorrow's Journalists

Quill and Scroll, an international honorary society, was organized to reward outstanding journalists. The society's seven aims—truth, loyalty, enlightenment, opportunity, initiative, leadership, and friendship—are impressed upon each initiate by a solemn candle-light service. Requirements for membership are at least a year's work on a school publication, a scholastic average of B, membership in the junior or senior class, and recommendation by the adviser of the publication on which the student works. Named the Ellen Glasgow Chapter of Quill and Scroll, the Tee Jay society has striven to promote the highest ideals in school journalism. The officers this year have been Rosalind Weinstein, president; Ruth Heflin, vice-president; Mary Turner, secretary, and Carol Faison, treasurer.

Plans Perfected . . . “Good Morning”

“Good morning! This is . . .” With these words the radio committee greets the student body every morning. The members, chosen from Miss Rosalind Marks’ speech classes, keep the school informed of meetings, contests, coming events, and other matters of current interest. This public address system has become an essential part of Tee Jay’s routine.

The members of Tee Jay's Troop No. 741 are actors, stage hands, understudies and committee chairmen, and are always on the job, helping with many school and civic productions.

Honors for Actors...Future Executives

Through its varied programs, the Business Education Club, open to all business students, aids in preparing its members for the business world and acquainting them with the employer's point of view. The club puts on movies, skits, panel discussions, and talks by prominent business men. From time to time the members enjoy socials and picnics.

The Helping Hand

When the Junior Red Cross met this session on the first Friday of each month, one always found enthusiastic students willing and ready to assist in worthy work. This year at Medical College Hospital volunteers from this group entertained the polio and rheumatic fever patients by reading to them and playing games with them each week. Patients at McGuire Veterans' Hospital looked forward every other week to entertainment and lively conversation with visitors from Tee Jay. The students also collected for these boys magazines through Tee Jay home-rooms. At the Red Cross Chapter House members were always kept busy filling gift boxes and making scrap-books to be sent overseas. . . . Important phases of Junior Red Cross work were presented in the Oc-

tober assembly program at Tee Jay, and as usual the spirit of Thanksgiving was expressed through the giving to Richmond's unfortunates decorated baskets filled with groceries. . . . Under the supervision of Miss Helen Botto of the faculty, the Junior Red Cross has had a successful year filled with hard but rewarding work. Tee Jay has felt proud of the fact that every homeroom of the school was represented in the council and that homerooms responded heartily in numerous drives and in the various Red Cross projects. . . . The officers were Becky Lonas, Senate chairman; Martha Joe Bigony, chairman of volunteer work; Sandra Cheatham, vice-president; Alice Goodall Armstrong, secretary; and Mary Ann Wills, Club Affiliations member.

Developing initiative and leadership and serving the school and community are the main goals of the Key Club. By developing these qualities the members hope to become useful citizens. Under the guidance of Mr. Woody, school sponsor, and Mr. Lawrence, Kiwanis Club sponsor, the boys work hard to carry out their objectives. . . . By selling pencils with the basketball schedule printed on them and by maintaining order in the "Rec" Hall during recess, the members show their fine school spirit. To be eligible for membership a person must be of high character, possess leadership qualities and have a good scholastic standing. Serving as president this year was Keith Hardwick; vice-president, Van Wall; secretary, Lewis Drew; treasurer, Dick Hansen; and sweetheart, Beverly Kersey.

Tebahoes is a group of girls who strive to promote girls' athletics at Tee Jay by emphasizing sportsmanship, arousing interest, and encouraging participation. The club, sponsored by Miss Edith Todd and headed by Alice Joyce Dix, is composed of girls who have received at least one varsity award on one of the school teams. The club has sponsored the cafeteria committee and a profitable and entertaining student-teacher basketball game. Each year, from the proceeds of the previous year, useful equipment has been contributed for girls' athletics. The goal of the club is to develop and extend throughout the school and community high standards of integrity and to make Tee Jay a better place for clean thinking and living through the observance of sportsmanship.

Clean Speech . . . Clean Sports . . .

To create, maintain, and extend throughout the school and community high standards of Christian character is the duty and responsibility of every member of Hi-Y I or Hi-Y II, and these standards help to make the school a better place for clean living and sportsmanship. Both Hi-Y clubs are a part of the great, nation-wide organization, the YMCA. Meeting weekly, Hi-Y I on Monday night and Hi-Y II on Wednesday night, each group holds a program consisting of a business meeting and either an address by a guest speaker, a movie, or some planned activity. . . . Both Hi-Y clubs serve and help their fellow students in many ways. Each day at lunch time the members take over duties in the "Rec" Hall and cafeteria to keep order and relieve congestion. This year officers of Hi-Y I were Howard Moss, president; Bob Parker, vice-president; Charles Collman, secretary; Al Collins, treasurer; Bill McGhee, chaplain; and Bolling Langhorne, sergeant-at-arms. The officers of Hi-Y II were Jack Willard, president; Dabney Stuart, vice-president; Bill Waters, secretary; Frank Slusser, treasurer; Flave Tyson, chaplain; and Charles Tingley and Erp Waddell, sergeants-at-arms. Open to girls of all faiths, the Y-Teens, Triangle I, of Thomas Jefferson High School has been under the sponsorship of Miss Alma Lowance, the faculty adviser, and under the directorship of Mary Jane Schwing, Teenage Director of the Richmond YWCA. The club officers this year were Kitty Reid, president; Ann Ruckman, vice-president; Betty Ewell, secretary; and Joy Lynn Bailey, treasurer. . . . Members of this club are also members of the local YWCA and of a world-wide fellowship organization for teenage girls. The purposes of the Y-Teens are to encourage the ideals of true understanding and brotherhood and to teach girls to grow in fellowship, knowledge, and love of God.

New Horizons

Thomas Jefferson's Y-Teens helped the cheerleaders decorate for football games, and assisted with the all-girls assembly. This year these clubs provided aides for the cafeteria. Triangle II this year had splash parties, programs with guest speakers, and panel discussions. . . . Every February delegates from the club attend the Mid-Winter Y-Teen Conference in Virginia. They acquire new skills and learn to put old knowledge to better use for their groups. Y-Teen Triangle II, one of the two sister Y-Teen clubs at Thomas Jefferson under the co-sponsorship of the school and the YWCA, is open to any interested girl. The Y-Teen triangle provides excellent opportunities to develop a girl's ability as a leader and broaden her horizons.

S. P. 123, under the sponsorship of Mr. Woody, strives to promote school spirit. The requirements for membership, which is limited to thirty, is that a boy be at least a sophomore and of outstanding character. The members of S. P. 123 are placed on duty in the "Rec" Hall and school corridors during recess and also serve in other capacities when needed. A dance, a flower-selling project, and a group church attendance were some of its activities of this season. The club also contributed money for the buses to the game in Hopewell. Officers this year have been Wayne Haskins, president; Al Capehart, vice-president; and Richard Bass, secretary-treasurer.

The Classics and Fun

For the purpose of augmenting and retaining student interest in the classics, the Latin Club was instituted. Students devote one period a day to translating the works of Cicero and Virgil, paying special attention to the intricacies of grammatical constructions. At the monthly club meetings entertainment may be Latin Scrabble, a game of Ecce (Latin for Bingo), or an informative program. . . . With Diana Boelt as president, Melissa Brooks as vice-president, Joanne White as treasurer, and Amy Sadler as historian, this year the club planned such undertakings as a Latin week project, and the annual banquet. . . . SPQR—the name of the club—means good times, hard work, and much satisfaction for all its members.

News Hounds

Since the purpose of each is to spread as much news to as many people as possible, the Jeffersonian could well be termed a latter-day town crier. The crier's functions required only one man. It takes over fifty Jeffersonian Literary Staff members two periods a day, plus time before and after school, to write and publish school news. . . . The Jeffersonian requires reporters, cartoonists, photographers, typists, proofreaders, and runners. Department editors assign and check stories and supervise all activity in the news, feature or sports departments. Page editors and assistants are largely responsible for make-up, head-

Problems and Profits . . .

Advertising and circulation are two groups that make up the Business Staff of the Jeffersonian. The Advertising Staff is composed of a manager, an assistant manager, an exchange editor, and a staff of solicitors and copy writers. The staff sells advertisements for allotted space, draws up the new copy, and makes the layout for each issue. They meet daily to discuss, criticize, and try to improve the advertisements. Last year for advertising the Jeffersonian was judged third in the nation at the Columbia Scholastic Press Association Convention at Columbia University in New York City, where a delegate from the

At the beginning of each semester the Circulation Staff promotes a drive for term subscriptions of seven issues for sixty cents. The lieutenants collect money from the members of their homerooms; and the captains, who each have charge of four homerooms, collect from the lieutenants on Tuesdays and Fridays of the weeks the paper is not distributed. The staff also mails about two hundred subscriptions to the school board members, alumni, advertisers, and

This was the highest number of one hundred percent homerooms in the history of the paper. As a result of the drive, 1,656 students had term subscriptions. Cadet subscriptions were taken by cadet first lieutenants. As has been the tradition of the corps for many years, the cadets subscribed one hundred percent. At the end of each drive a party is held for the lieutenants and homeroom teachers from rooms having one hundred percent. . . . Brains Behind

Every Jeff is justly proud of his annual, the Monticello. Few realize, however, the great amount of work behind the completed book. Over eight months, one period per day, is spent by the Literary Staff in planning pages, cropping pictures, preparing questionnaires and tabulating results, writing and correcting copy. . . . The Literary Staff consists of approximately twenty-five students serving on various sections. This year for the first time the Monticello had an assistant to the co-editors. In order to join the staff students must be successful in their studies, show a capacity for hard work, and possess a willingness to co-operate. Under the leadership of Miss Grace Rowe, faculty adviser, and section editors, the new staff member quickly becomes an intricate part of the team. . . . The theme of the Monticello is chosen early in the year and is kept secret until the appearance of the annual in June. "Who's Who" in the senior class is

also revealed then for the first time by the Monticello. . . . The importance of continually striving for the improvement of the Monticello is recognized by the staff. Each spring representatives from the literary staff attend the Columbia Scholastic Press Association Convention in New York and the Southern Interscholastic Press Association Convention at Washington and Lee University in Lexington, Virginia. At these conventions ideas are exchanged between students and advisers from broad areas of the nation. New ideas are brought back to the staff. . . . At a gala banquet in June, the New Monticello is first presented to the Literary and Business Staffs. Excitement reigns high as new staff members are introduced and editors for the coming year are named. . . . Budget Behind The Book

Each year the Monticello Business Staff has the task of securing advertising contracts, taking class and organization pictures and snapshots, compiling "ad" proofs, and soliciting sales of the book. These energetic students have few idle moments from September to June.

Attractive art work for the Monticello depends on the originality and skill of the artists who undertake the task. The artists are generally consulted in selecting a workable theme for the book. With the theme in mind, they plan and prepare the motifs for pages and the designs for the cover and division sheets.

With Brush and Camera

The success of the Tee Jay year book is due largely to the experience and knowledge of the staff photographers. Constantly striving for sharper contrasts in pictures, more school spirit in action and a greater variety of informal pictures, the photographers perform their tasks faithfully under the leadership of Miss Frances Gray.

Scholarship, Leadership, Character

For everyone who attends the special National Honor Society assembly, the occasion is solemn and impressive. Not only does a sense of pride and satisfaction fill the hearts of those seniors who are tapped, but also a worthy goal is set for the underclassmen, who are deeply impressed by what they see. . . . Those qualified for membership in the society are rated by the entire faculty, and the faculty Honor Society Committee, headed by Mrs. Barbara Robinson, makes the final selections. . . . Initiates can well be proud of their attainment, for to achieve this high honor one must have a "B" average in his subjects and must possess the four qualifications stressed in the society: scholarship, character development, leadership, and service. Any student meeting these requirements must look back on his days at Tee Jay with satisfaction and pride.

Page plans are decided upon and drawn by the staff. The printer's galley sheets are corrected to meet his deadline. Finally the big day comes, and the Declaration is ready for everyone's enjoyment. The presentation of the magazine to the students is the climax of many hours of work by Miss Singleton, adviser; Joanne White and Lee Landsberger, co-editors; and the entire staff.

Budgetwise . . .

"Two 'ads' apiece" came the word from Miss Gary, ad- viser, launching the year's work for the Business Staff of the Declaration. After approximately 10,000 steps and sixty hours of pounding the pavement to business firms throughout the city, the "ads" were in. However, the work had just begun. The Staff, headed by business man- ager, Mary Turner, then had to have a consultation with the printer, draw up the "ads," and plan the "dummy." Betty Marchant, publicity manager, started the intensive campaign for subscriptions, keeping the words, "Buy the Declaration!" first and foremost before everyone at Tee

Jay. The Circulation Department, headed by Emilie Anderson, handled the distribution of the magazine through the English classes and the sale of extra copies. This was the Business Staff's role in publishing the winter issue of the Declaration. . . . No sooner was the cycle complete, than it had to be begun again for the spring issue. Selected members did take time off to represent the Business Staff at the Columbia Scholastic Press Association meeting in New York City and the Southern Interscholastic Press Association Convention at Lexington, Virginia.

From the Inkwell

The Declaration Art Staff has come into its own, having grown both in size and importance. The art staff has the task of illustrating stories, poems, and essays, as well as providing heads for the various sections of the magazine. This staff makes posters for the literary and business staffs. The covers of the magazine have been revolutionized, and the work is now being done by hand with a silk-screening process. The work of the artists has been praised numerous times and no doubt has aided the Declaration in securing the coveted Medalist Award.

Test Tubes and Toads

Students, usually found assorting specimens, setting out chemicals, or opening "lab" desks, have acquired the title "lab" assistants. Under the guidance of Mrs. Browning, biology teacher, and Miss Gill, chemistry teacher, these students perform their duties in the laboratory each day, with one assistant scheduled for each period. Under these circumstances, not only is there time and opportunity to receive training in the scientific field, but also there is often spare time in which to do other tasks. All of the science teachers agree that these busy aids found in all the laboratories are indispensable.

Women in White

On every second and fourth Tuesday of the month a group of girls meet to learn more about nursing. The duty of the Future Nurses' Club is to arouse the interest of girls in the field of nursing as a career. At these meetings there are speakers and films and occasional trips to the local hospitals, which better acquaint the girls with nursing. Mrs. A. K. Sutphin, representative from the Women's Auxiliary to the Richmond Academy of Medicine, and Miss Rosemond Abernathy, school sponsor, along with Joan Gay Hamilton, president; Sandra Cheatham, vice president; Jean Harris, corresponding secretary; and Martha Jo Bigony, recording secretary, have helped to promote interest and increase membership in the club.

Composed of thirty-three boys and girls who dedicate a part of their school day to assisting the librarians in their numerous tasks, the Library Staff assumes duties that range from desk work to shelving and filing. Their object in each is to give courteous and prompt service to all who use the library. The members of the Staff seem to find both pleasure and useful experience in their work and at the same time give a valuable service to their school.

To create an interest in the accounting profession and to better acquaint the students with the business world are the purposes of the Bookkeeping Club. Not only do the club members obtain useful knowledge pertaining to business practices, but they enjoy hearing outstanding speakers from the National Office Manager's Association and having trips to various business firms.

Thrift and Thrills

With the aim of broadening their interest in books and knowledge of good literature, the Book Club was sponsored by Miss Singleton with Nancy Wilson, president; Barbara Meador, vice-president; Ruth Heflin, secretary; and Margaret Welsh, treasurer. The club wrote book reviews for the Declaration, discussed current books, and collected books for children.

Under the guidance of a student supervisor, two members of the crew keep the stage in readiness for use.

On the Spot

The Audio-Visual Committee, under the supervision of Mr. C. C. Cooper, contributes a valuable service to the teaching program at Tee Jay. Showing films for teachers, mimeographing tests and teaching materials, making tape recordings and keeping the equipment in proper working condition is the work of the Audio-Visual Committee.

Music . . .

Melodious strains drifting from room 218 mean that Mr. Alton Howell is directing either the A Cappella Choir, the Preparatory Choir, or the Boys' or Girls' Glee Clubs. Composed of advanced voice students the A Cappella sang for the special assemblies and made guest appearances at the Optimist Club, the Community Fund Luncheon, and the First Baptist Church. The A Cappella and the orchestra combined to present Handel's "Messiah" at Christmas-time and the special music for the Baccalaureate and Commencement exercises. "The Vagabond King," by Rudolf Freml, was chosen by the choir as the annual operetta, with Lee Landsberger as director and Van Wall as assistant director. Jackie Stephens, Jack Welch, Kitty Chappell, and Van Wall had the leading roles.

The Preparatory Choir, which meets at the fourth period, serves to develop promising voice students for later service in the A Cappella. F Company Cops Top Spot; Cadets Get Efficiency Points

WINNER—Compiling 96 per cent points, Company F marched victoriously up to the judges' stand and received the 26th semi-annual Competitive Drill award. Captain Gray, looking somewhat like a proud Napoleon, was promptly carried out of the Rec Hall on the shoulders of his jubilant crew.

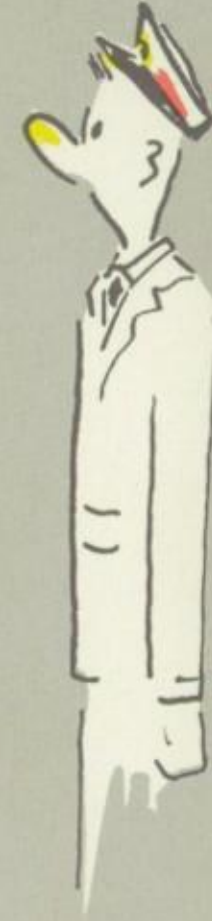

Both Co. C and Co. D were awarded 94 per cent points, tying for second place. Fourth place went to Co. B with 92 per cent points. A Co. and E Co. tallied 91 and 90 per cent points, respectively, taking fifth and sixth places.

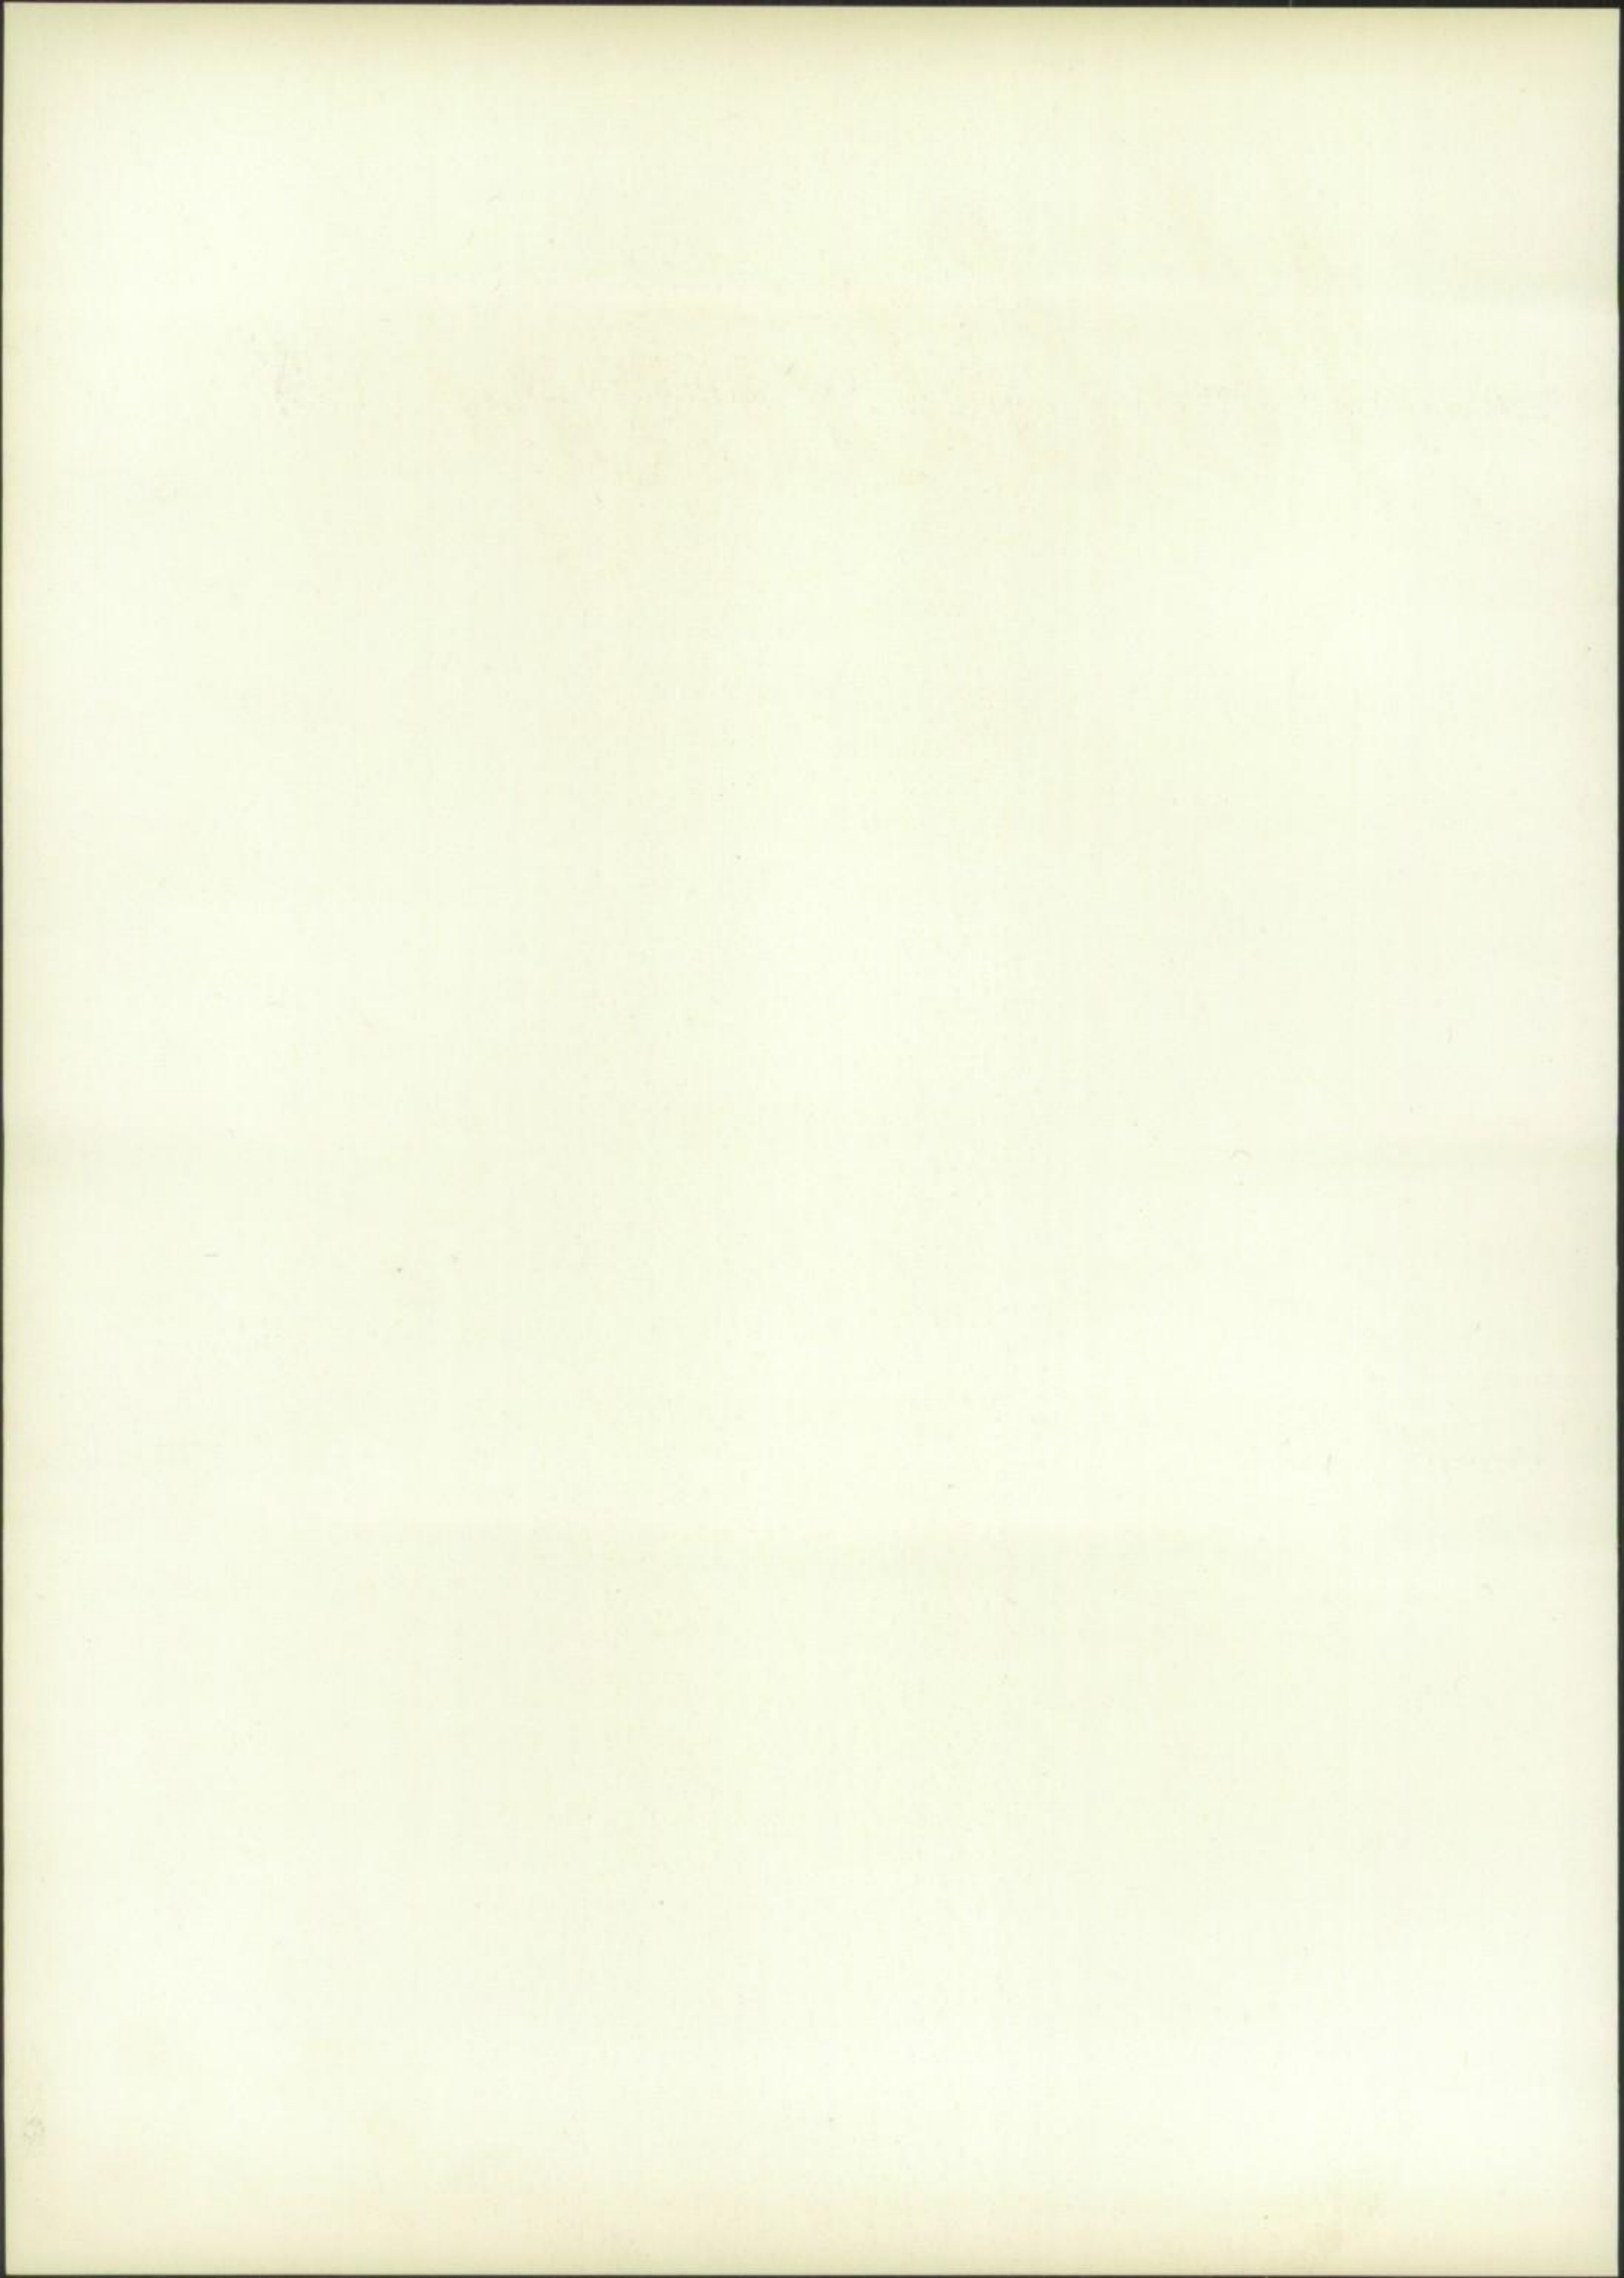

"They worked hard and I'm mighty proud of them. We threw a real brawl to celebrate," Gray stated.

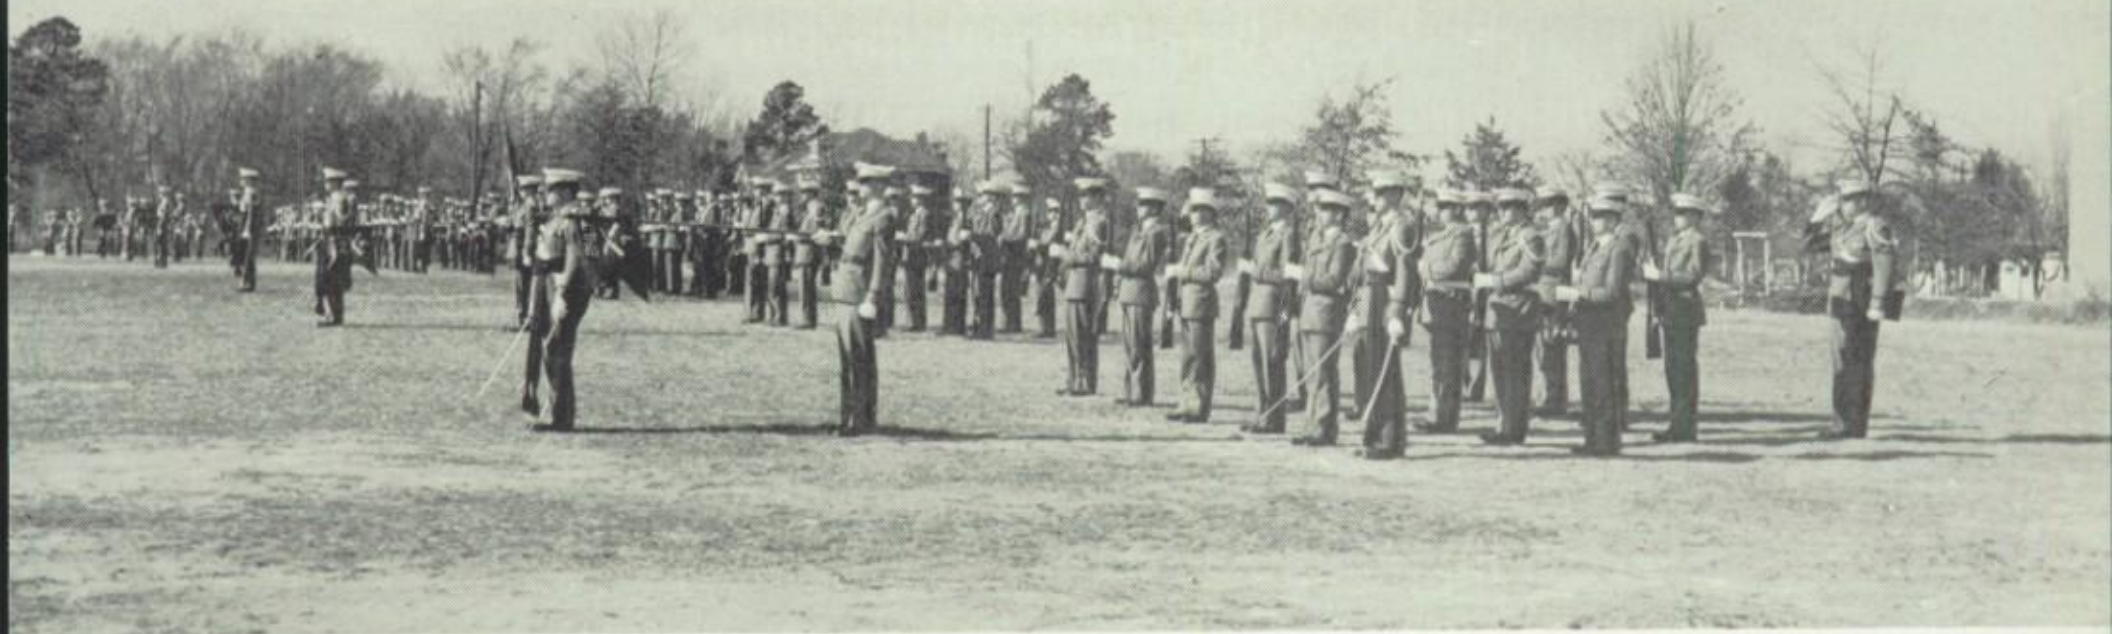

COOP—Current standings in the competition for the Efficiency Cup, to be awarded this June, are as follows: Band, 50; B Co., 44; F Co., 37; A Co., 33; D Co., 32; C Co., 23; and E Co., 5.

Several companies have obtained many points during the fall term, but they have lost considerably because of the failure to wear uniforms and because of errors made on the First Sergeants' reports.

COMMENTS—The entire corps attended First Baptist Church on January 15, Lee-Jackson Sunday. Dr. Theodore F. Adams's hospitality was more than appreciated. — The Rifle Team is now a member of the Eastern Virginia High School Rifle League. Dick Connell and Guy Tripp co-captain the varsity team.

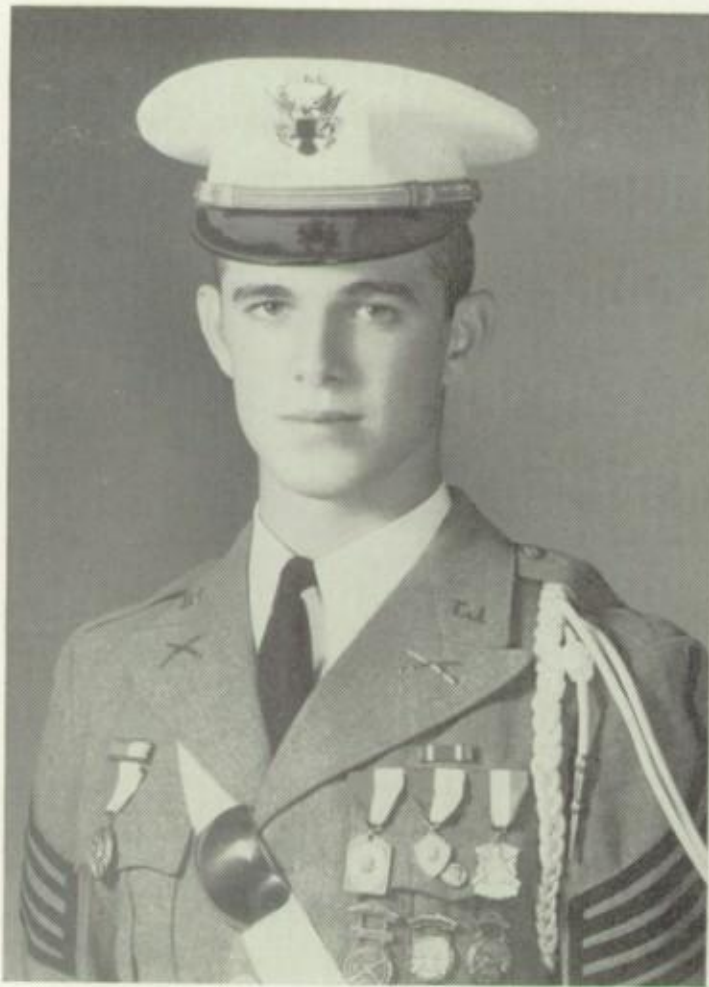

Thomas Jefferson Corps of Cadets

Founded in September, 1942, the Corps at Thomas Jefferson is fourteen years old. In these years the Corps has progressed far and steadily. As a "55-c School" honorable graduates of the Corps are eligible to receive credit in college for Junior R.O.T.C. and begin in the advanced R.O.T.C. program. . . . Participation in many and varied activities gives the Tee Jay Cadet a well-balanced military background. In September fifty cadets participated in the Tobacco Festival Parade. In the Spring the entire Corps displayed its precision in the Memorial Day and Armed Forces Day parades. Also in April the Band, as in previous years, made an excellent showing in the Apple Blossom Festival Parade at Winchester. . . . Military classes, on a schedule especially prepared and outlined for 55-c Schools, were taught and supervised by senior cadets in accordance with a recent Army directive. . . . The Winter Competitive Drill was won for the second time in the history of the Corps by Company F with 96 points. . . . a successful year followed the reorganization of the Rifle Team and the Rifle Club. The acquisition of shooting jackets and gloves and four new rifles proved to be a great aid. . . . Included among other activities for the year were the two Cadet Hops, with elaborate figures designed by Mr. Woody, intramural basketball, and two Sponsors' Days. In memory of Generals Lee and Jackson, the Corps observed its annual attendance at First Baptist Church in January.

Setting several dash records and winning within one-tenth of a second the world record, Jeff Sprinter Spiegel starred in the State

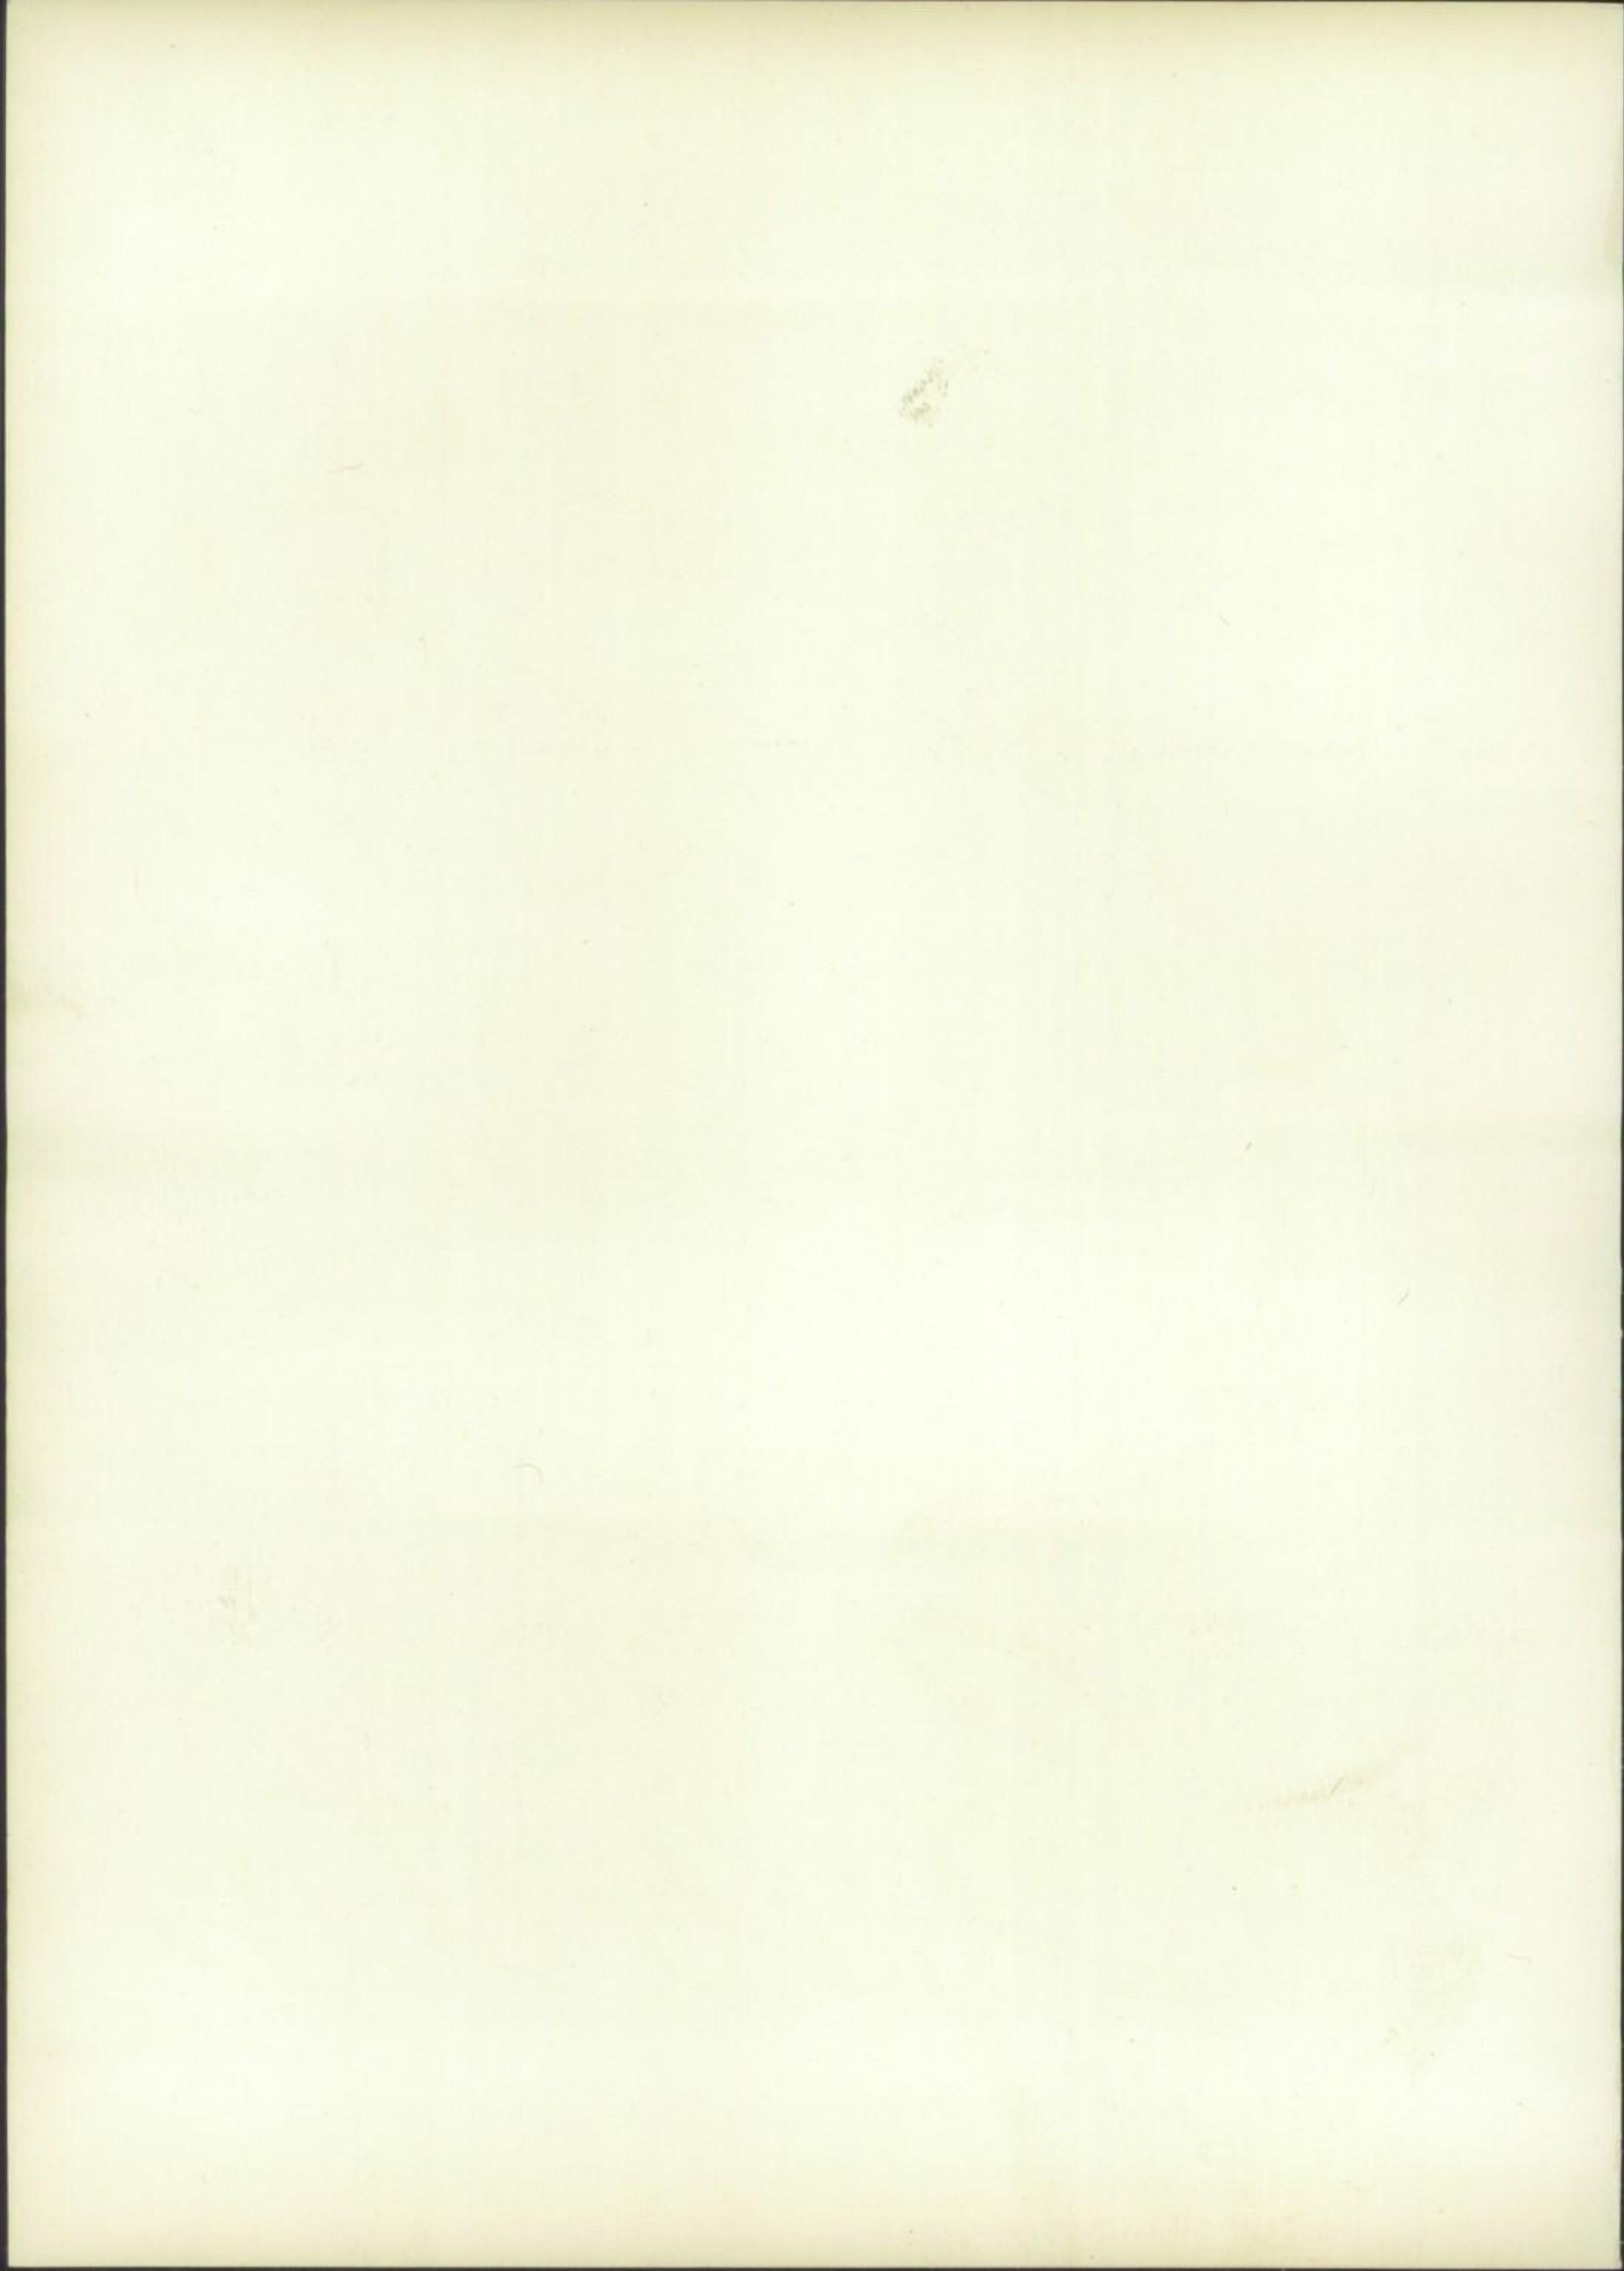

up I indoor meet. He ran the 60-yard dash in 6.2 seconds last Friday at the VMI field-house. The feat softened Tee Jay's place finish in the meet, which was won by Washington-Lee. Joe Davis, in the high jump, took the only other Jeff first place.

Two weeks earlier the Tee Jay thin-lads bowed to Woodberry Forest 4-32. Spiegel broke the Woodberry 100-yard dash record, and John Prev

on out in the mile. Among the boys participating events are Bob Beam, Charles Bentley, John Broadus, Hawes Campbell, Keith Hardwick, Fount Johnston, B Knight, Tommy Payne, Craig P Guze, Donnie Rogerson, Frank St

Pep and Spirit

"All girl cheerleaders!" was the cry that rang through the halls of Tee Jay following the announcement of the new cheering squad in the spring of '55. For the first time, as far as can be recalled, there were to be no boys out in front cheering. Whether this would be received favorably was to be seen. Former junior cheerleader, Patti Powell, assumed the duties of head cheerleader. The girls, themselves, were thrilled as they developed new techniques for the yells. Holding practices weekly throughout the summer, the girls were ready for the exciting football and basketball seasons, full of Friday pep rallies, week-end games, fluttering red and white ribbons and "Beat J.M." cards, all for the promotion of good spirit. Highlight of the year was the project of chartering "10 buses to Hopewell" for the last out-of-town football game. Their hard work was rewarded when the student body went over the goal, and eleven buses left Tee Jay full of school-spirited Jeffs, November 11, for Hopewell. . . . Sponsored by Junior Cheerleaders, Sara Ellen Flowers and Beth Weaver Luck, a Junior Varsity Cheerleader group, composed of Cheryl Ahern, Bobbie Reynolds, Pat Simmons, Bunni Payne, Nancy Edmonds, Betty Maxey, Kathy Stevens, Kay Christian, and Marie Welsh, led the cheers for the "B" teams during their games. With this experience, Sara Ellen and Beth will be fully capable of heading the varsity pep squad next year.

TEE JAY 39-LANE 0—Opening the season, Tee Jay's explosion at Lane was the biggest noise in Group I. This was one of the best openings of any "Big Red" team in the history of Tee Jay.

TEE JAY 30-HIGHLAND SPRINGS 6—In its first home game, Tee Jay scored twenty-three points in the first half and then coasted to victory over the Springers.

TEE JAY 27-ANDREW LEWIS 6—Playing on a rain-soaked field before an equally wet crowd, Tee Jay overcame one of the most formidable teams in western Virginia.

TEE JAY 34-PETERSBURG 0—Spurred on by many cheering Jeffs, the "Big Red" spanked a tricky opponent by scoring twice in the first half and three times in the second half.

TEE JAY 38-GEORGE WASHINGTON 6—The Jeffs ran wild over a strong G.W. team. It was probably the best all-around game Tee Jay played this year.

TEE JAY 6-WASHINGTON-LEE 13—Having seven regulars on the bench with injuries, Tee Jay's team put up a valiant but losing fight. The defeat all but crushed Tee Jay's hope for the State Title.

TEE JAY 0-HOPEWELL 40—Playing at Hopewell before eleven busloads of cheering Jeffs, the injury-ridden "Big Red" bowed 40 to "Oh"!

TEE JAY 19-JAY EM 7—In the 25th meeting with the Presidents' cross-town rivals, 6,000 enthusiastic fans weathered wind and rain to see the Jeffs power their way to victory. This concluded a season of eight wins and two losses.

Led by three experienced seniors, Anne Hite, Betty Brent, and Alice Joyce Dix, as tri-captains, the girls' varsity hockey team ended the season with a record of three victories, two ties, and two defeats, the latter at the hands of Jay Em and St. Catherine's. . . . The Junior Varsity ended the season with seven wins and one loss, the loss at the hands of John Marshall. Serving as co-captains were Nancy Wilson and Cary Tilton. . . . The hockey squad participated in the Annual Hockey Clinic held at Westhampton College this year. This clinic is held in order to improve the strokes and techniques of the game. . . . In the Allied Hockey Tournament held at Westhampton College this year, several Jeffs were honored by being selected for the Tidewater State Team. Placed on the first team were Mary Lou Hagen, Anne Hite, Nancy Slusser, and Irene Bambacus.

Again this year the girls' basketball team enjoyed a winning season. Four varsity players returned to lead the team to eight victories. This impressive record was marred by only one defeat, that at the hands of St. Gertrude's. . . . In the All-Prep Tournament, only the Lady Jeffs won all the games they played. Honored at this event were Janet Harwood and Jane Meyers, who were placed on the first team, and Leslie Hughes, named to the All-Prep Reserve Team. . . . At the Eleventh Annual Varsity-Alumnae Game, held in honor of their coach, Miss Mildred Brame, the varsity topped the Alumnae 47 to 32. . . . The Junior Varsity also had a victorious season. They won eight games while losing only one. . . . This year the Varsity and Junior Varsity teams were managed very capably by Joan Hamilton.

Clever Cagers

Tee Jay's basketball team opened its season by losing to a strong George Washington team, but the spirited team bounced back to defeat E. C. Glass the next night and kept on going to win fourteen straight games. Among the victims were Manchester, Lane, Hermitage, Highland Springs, and Petersburg. Also defeated were John Marshall, Hopewell, and Benedictine. In the string there were many exciting games, such as the double overtime game, in which the Jeffs defeated Hermitage 61-59. In this game Tee Jay came from ten points behind to win. On the outcome of the Tee Jay-Benedictine game hung the supremacy of city basketball. The Jeffs started strong and romped on to a 53-45 victory. The magic string was

The Jeff team did not lose a game on its home court. Also the team scoring record was broken by routing Lane 96-47. The Belt Liners posted the fourth best record in the history of Tee Jay. . . . Batter Up

"We hope to move up the totem pole this year," stated Miss Brame, Tee Jay's coach in softball, "Last year we were far down." Early in April more than thirty girls signed up for the team. Among returning varsity squad members were Leslie Hughes, first baseman; Nancy Gilliam, pitcher and shortstop; Frances Baker, catcher; Jane Myers, pitcher; Porter Seay, right field; Maridell Bugg, left field; Betty Grigsby; and Mary Claire de Treville, second baseman. . . . Holding practices each Monday, Wednesday, and Friday, the girls worked hard to perfect their various skills and to develop a team surpassing those of previous years. The teams met this year were those of Midlothian, Hopewell, Manchester, St. Catherine's, Petersburg and John Marshall. . . . Chosen as co-captains this year were Nancy Gilliam and Leslie Hughes. Gonzalee Ford served as manager. The team is not a member of a league. Regularly near the end of the season the interest, perseverance, and skill of the Lady Jeffs are acknowledged by a presentation of awards to the outstanding members of the squad for their achievements.

Stocked with veterans, the 1956 baseball team should be one of the best in Tee Jay's history. The pitching of Langhorne, Spiegel, Slusser, and Drew, plus a strong infield consisting of Willard, Taylor, Gravins, Stuart, and Selden are reasons supporting the opinion that the team is due for a great season. The Jeffs, seeking to better last year's record of 10-6, opened the season with a 7-4 victory over Highland Springs, with Spiegel the winning pitcher. Next the Jeffs defeated John Marshall impressively, 8-5, with Langhorne the winning pitcher and also leading hitter in the game. Then the Jeffs took over the undisputed first place in the Central District by defeating Hopewell. The first defeat for Tee Jay was at the hands of Manchester by a score of 6-7. . . . The Jeffs were off to a fast start in their efforts to win the City Championship. This, if accomplished, will complete the final chapter in the sweeping of City titles in the three major sports. *RECORD - 10 WINS, 4 LOSSES METRO CHAMPS*

Track Thrills

Tee Jay's track team, led by its co-captains Johnston and Chepp, opened its indoor-outdoor season at Woodberry Forest, with the Jeffs bowing 32-54. One week later at Lexington in the State Indoor Championship meet, Butch Spiegel broke the state record, his own, in the sixty-yard dash by running it in 6.2 seconds. In the A.A.U. meet, held at the Richmond Arena, Joe Davis broke the high jump record by clearing six feet. In the Atlantic Coast Conference Games at Raleigh, North Carolina, Spiegel won the sixty-yard dash, and Davis placed second in the high jump. . . . Thus far in the season, Rogerson, Allen, Chepp, and Prevatt appear to be high-scoring men. Tee Jay's thinclads appear strong despite the loss of many veterans from last year's team, which won second place in the State Outdoor Championships. In the first meet of the outdoor season, Tee Jay defeated Hermitage 71-41. In the second meet with Lane and Manchester, the Jeffs scored 53 points and won. In the Tidewater meet in Williamsburg, Tee Jay bettered last year's third place record by placing second, missing first by one point.

Striving for their ninth straight State Championship, the boys' tennis team made an early start. Round-robin matches were played to determine which players would be given the choice places on the team ladder. Sam Woods, Byrd Park tennis instructor, again coached the team. Named captain of the team was Frank Glaser, senior letter-holder and number three man on the ladder. Bruce Sylvia and Wayne Adams, former captain, again claimed first and second spots respectively on the ladder. . . . For the first time Tee Jay netters were sporting regular school-issued uniforms, consisting of white polo shirts with Tee Jay cross racquets and red and white patterned wind-breaker jackets with similar insignia, to wear with their regular white drill shorts. . . . With a total of seventeen matches and the final State Tournament May 11 and 12, prospects for the ninth crown seemed good for the boys' team. . . . Coached again this year by Miss Edith Todd, the girls' tennis team also played at Byrd Park. Six letter-holders returned, with Joyce Slavin again expected to play in number one spot. Stunt Night Plans Progress; 'Parlor Rats' New Production

The Junior Stunt Night script committee has completed the entire script for their '55 production of *Parlor Rats*. All the scenes have been put together, but dialogue will be worked out until November 22, the first secret until Bette Allan, co-assistant manager. "It's title fits it to a 'T'."

Tryouts for singers have already been held. Chris Hassel, Dotty Brown, Thompson were among those chosen. Carol Sue Reese will sing *Seven Blues*. Dottie Brown is planning to sing *Honeybun* from the show, *South Pacific*. She said, "I'm really happy and excited about the show. The script is different and just wonderful. This year's Junior Stunt Night is bound to be good."

Chorus Line Practices
The chorus line was chosen Tuesday and is now practicing with Eilene Peck, and Beverly Parker, Polly Thompson, Margarette Jenkins, Pat Weaver, Pat Freese, Sara Ellen Florentino, Marion Liniado, Mollie Williams, and Harriet R.

Life With Father'

Seniors Shine Tonight

Life With Father, a comedy, will be presented by the Senior Class tonight and tomorrow night in the Tee Jay auditorium.

"The plot revolves around the baptism of Father Day," stated Miss Sue Beaman, the class sponsor. The play is taken from a true story.

Committees Hard at Work
"Most people fail to realize that there is much more to producing a play than acting," said Lee Landers, senior class president. "Mrs. Josephine, the costume committee, is working hard to make up, Sande."

The costumes committee, headed by Marcia Saslaw and Bette Ballagh, has also had to find suitable costumes for this period. Many of them have been borrowed from the Department of Recreation and Parks.

The other committees with chairmen are make-up, Sande, and furniture and props. Since only some could be borrowed from their homes, they turned to antique shops.

Snowflakes to Present Scene at Senior-Junior Couples to Form Double Heart, T-J

Amid snowflakes and moonbeams seniors, juniors, and their dates will dance to the music of the Saints in a "Winter Wonderland" gym on December 10.

The Senior-Junior decoration committee plans to use red and silver aluminum foil for decorating. Most of the decorations are being kept a secret. Another secret that will be revealed at the dance are the names of the king and queen.

Preceding the dance, there will be a figure at 8:30 p.m. in with 36 couples will participate. Under the direction of Mr. Harry Woody, the couples will form a double heart and a T.

The Mark of a Champion!

John Richardson

When a young man can face the business world with the same undaunted courage that he bucks the line in football, and can take the bumps that inevitably will come to him in business, and can keep his fighting spirit and keep smiling . . . then he has the mark of a champion. The world needs young men like this and the world will make way for them. The life insurance business needs such men, so why not prepare yourself for a career in the life insurance business. It's a business of opportunity for young men of ambition and vision.

PLANNING FOR FUTURE SECURITY

Throughout the nation this June, thousands of young men and women are graduating from high schools. Many of them look towards college educations and career opportunities which could not have been theirs except for life insurance purchased for them years ago by a loving parent or relative.

Life insurance guarantees many other personal and family ambitions, too, and its ownership will bring you the same satisfaction and security it now provides millions in all walks of life.
